10-20-08

Another big week looms for the Cadets as SLUH, Oakville and Vianney are on the schedule in next to last week of the regular season. Wednesday (Oct. 22), CBC will host the Jr. Bills and try to avenge the earlier loss in the CYC Tournament. This is a big game for both teams and expect to see both teams at their best in this encounter. Prepcast.com is carrying this as their feature game – so if you can't be there in person, view it on www.prepcast.com.

Last week the Cadets won at DeSmet (2-1), beat host Jeff City (6-2) and were on the wrong end of PKs versus Rockhurst. The Rockhurst was all that it was billed to be – 2 heavyweights bringing their 'A' game -- although no goals were scored through 100 minutes of very intense soccer, it was an entertaining game with chances created by both teams. CBC had the better of play and the better of chances, but failed to capitalize on their numerous opportunities. In the PKs, Rockhurst scored 4 and CBC 3 – each keeper made a save and the 5th CBC player beat the keeper but not the lower post. It was a disappointing loss as we played very well and were very deserving of the win. It was a great effort by the boys and we take from the game the fact that we gave Rockhurst all they could handle.

Districts are now just 2 weeks away and then it becomes winner stay, loser go home time. Our district features DeSmet and the sectional game would be the winner of SLUH- Chaminade - sounds pretty familiar if you follow High School soccer in Missouri.
